**Robson Kay Do Not Package or Deliver**

**All lots are situated at Brick Live Ltd premises in Runcorn and are available to view by prior appointment, which is strongly encouraged. No lots are tested or warranted. No refunds or rights of comeback are offered in relation to any aspect of any lot.**

**All lots are subject to a buyer's premium of 17.5% + VAT. Regardless of whether the hammer price is subject to VAT, the buyer's premium is always subject to VAT.**

**Immediately below are answers to the most commonly asked questions, followed by a more detailed explanation of the bidding process:**

- a) In signing up to the auction, you agree to a payment & collection deadline made clear in every lot description, typically two working days after the sale. If you cannot pay & collect within the deadline, DO NOT BID. We do not deliver or package. We appreciate this timescale is tight, however it is made clear before bidding. Do not choose to participate in this sale if you cannot adhere to this timescale. It is the responsibility of the bidder to ensure they complete in time, not the responsibility of the auctioneer to chase.**
- b) If your registration has been declined, we will most likely have issued a refundable deposit request – payment of same will lead to your approval to bid. The deposit is refundable if you do not bid or if you spend less than your deposit.**
- c) No paperwork is sent out until the last lot has closed. No collections take place on the day the sale ends. Emails come from @bidspotter/@ibidder/ @thesaleroom email addresses – ensure they are not in your spam filter. The winning bidder notification sent out after the sale ends contains all the important information you need to complete your purchase, including your paddle number which you should quote at all times.**
- d) You must pay by bank transfer or online payment with credit/debit card – there are no cashiering services at Robson Kay**
- e) All goods are located at 57 – 58 Brindley Road, Astmoor Industrial Estate, Runcorn, WA7 1PF. We are usually open for collection on the two days following the sale from 9am – 4pm. We do not close for lunch, and you do require an appointment to collect.**
- f) Bids are legally binding. There are no rights of comeback, guarantee, refund or return, no matter what the reason. Please do not bid unless you have viewed to your**

**satisfaction prior. Lot descriptions cannot be relied upon to be accurate and items may be unfit for purpose.**

## **BIDDING PROCESS**

### **1) REGISTRATION**

We host all our online auctions on BidSpotter and i-Bidder. You must have a BidSpotter (or i-Bidder) account to sign up to any of our sales.

Please ensure you read & understand the rules of each auction that you sign up to. Every auctioneer operates differently and independently from each other, so the rules for each auction differ, sometimes significantly.

Your credit card details are used for the purposes of an identity check, not for payment.

If you fail the I.D. check and/or have no bidding history and/or have one or more incidents where you have failed to pay any BidSpotter auctioneer and/or you are based overseas, you are likely to either be declined and/or sent a refundable deposit request. If you pay the deposit, you will be approved to bid. The deposit will be returned immediately the sale is over in the event you are unsuccessful.

Please therefore ensure that you sign-up well in advance of the sale – if you wait until the day the sale is closing before signing up to the sale, there is a strong chance you will not be approved in time to bid.

Remember all bids are legally binding. Also please remember that we will not change the bidder's details on the invoice so you must register in the name you wish the invoice to be addressed to

Do Not give your password to anyone else – it is NOT a valid excuse post-sale to claim a relative/employee/partner/friend/etc bid on your account without your permission – the registrant will still be held liable for all bidding activity.

PLEASE NOTE many of our auctions are not suited to overseas bidders - the requirement to package and collect within two days means overseas bidders are unlikely to be able to comply with our terms. Should you feel you can comply, please contact us to discuss further and note in the event we do approve you to bid, a substantial deposit will be required of £2,000 before such approval is granted.

### **2) VIEWING & BIDDING**

VIEWING is strictly by prior appointment. Viewing is highly encouraged.

Since the outbreak of COVID-19 at the beginning of 2020, we have periodically changed our rules in line with English Law and Public Health England. There is currently no requirement to wear a mask when visiting our premises.

We have sanitizer stations at each entrance which you must use when entering our premises. We operate from spacious premises where social distancing is easy to maintain. We regularly sanitize the premises and the lots. Other than viewing, we keep visitors to a minimum. For viewing, we stagger arrival times to ensure there are never large numbers of visitors here at the same time.

PLEASE ACT RESPONSIBLY: If you have any symptoms, or have recently tested positive, or may have come into contact with someone who has tested positive, please stay at home.

No children under 16 permitted on the premises.

All lots are sold as seen - it is assumed in the act of bidding that all bidders have viewed lots prior. No allowances of any description whatsoever will be made in the event of problems as a result of failure to view - it is our strong advice not to bid on anything at all if you have not viewed to your satisfaction first - our descriptions and photos are insufficient to rely wholly upon for the purposes of bidding.

Lots close at short intervals. You can bid at any time prior to the lot closing. You can either bid at the next available bidding level, or leave a maximum bid, in which instance the system will generate bids on your behalf, buying the lot as cheaply as possible, subject to what others bid and the level or reserve (if any).

Should you attempt to place a bid 'off increment', the system will advise at the time you attempt to place your bid. The increments increase as the lot price goes up - £5 increments up to £100, then £10 increments up to £300, then in £20 increments, etc.

Please Note all sales on BidSpotter use `auto bid extension`. If a bid is placed with less than 10 minutes remaining (for that specific lot only) the end time automatically extends by a further 10 minutes. This will keep occurring until there is a 10 minute period with no bids.

### **3) BUYER'S PREMIUM & VAT**

A Buyer's Premium of 17.5% + VAT is applied to all lots in all sales. Buyer's Premium is always subject to VAT which can never be zero rated or refunded, even for exporters.

In most auctions, the majority of lots are also subject to VAT on the hammer price. However, if the vendor is not VAT registered, or if the lot is VAT exempt, the lot price will not be subject to VAT.

Please look at the additional fees tab in the individual lot descriptions to establish whether VAT applies to the lot in question.

Strictly for those who register with an address outside the UK, a VAT refund may be possible for those exporting - see our full terms & conditions for full details. If you register with a UK address, no refund of VAT will be possible under ANY circumstances.

If you will be looking to reclaim the VAT, it is IMPERATIVE that you inform us at the time of payment - claims only first registered weeks after the sale will be impossible to facilitate.

### **4) PAYMENT & COLLECTION**

You will receive a 'winning bidder notification' email shortly after the last lot closes, with details of the lots purchased & total balance. This email also contains your paddle number, which you should quote in all communications including as a bank transfer reference should you pay by that method. Indeed, almost all commonly asked questions are answered in the winning bidder notification.

Emails come from @bidspotter or @ibidder or @thesaleroom email addresses – ensure you look out for same. If you do not think you have received an email by close of business on the day the sale ends, it is your responsibility to check your spam filters or contact us.

You will also receive a 'payment request' email, shortly after the 'winning bidder notification', which allows you to pay either:

- Online by credit/debit card
- or alternatively
- Bank Transfer using the account details in the winning bidder notification

No in person payments are allowed.

No card payments are taken over the phone.

We Do Not Accept Cash

Balances must be paid in full & all goods collected within the timescale stipulated for the auction in question, typically two working days after the sale ends. Our opening hours for collection are 9am - 4pm.

1 days' notice prior to collection is required.

Most won lots are now brought to the loading bay/door, for buyers to then load themselves. Although this practice started as a result of COVID restrictions, for now we will continue with this policy to avoid unnecessary visits inside the premises.

Loading of larger items using our Forklift Truck and driver is often possible (for a small charge) however, not all lots are suited – please check prior to bidding

We will NOT palletise which means you will still need to send manpower to assist with loading your lots. Please remember that pallets are excluded and therefore should you wish to remove pallets with the lots still on them, you will need to bring like for like pallets to exchange (e.g., euro, regular and blue).

No collections will be possible on the day the auction ends - wait until the morning following the sale before visiting to avoid a wasted journey.

**COLLECTION DEADLINE: YOU WILL BE CHARGED** a late collection/payment charge if you do not collect in time. It is deliberately high in the hope that buyers will make every possible effort to pay & collect promptly.

Goods paid for but not collected within one week of the collection deadline will be treated as abandoned unless agreed in writing with Robson Kay prior. Failure to pay will result in a block on the BidSpotter / i-Bidder platforms. We reserve the right to sell the goods elsewhere if goods are not paid for within the payment deadline.

**WE DO NOT IN ANY WAY, SHAPE OR FORM ASSIST WITH POSTAGE OR PACKAGING - PLEASE BEAR THIS IN MIND BEFORE BIDDING.** We do not supply boxes or packing materials, nor do we deliver.

This means if you send a carrier (or attend to uplift in person), you must remember we will not put the lot/s you have won in a box/bag/envelope, seal/tape up a box, lend tools to help dismantle machinery, load items on a pallet, shrink wrap pallets/items, label anything, weigh lots or indeed do anything other than point you/your carrier in the direction of the lots in question and supervise their removal. If this will pose a problem, **DO NOT BID**. After every sale, at least one bidder will ask us to 'bend the rules' giving a most compelling reason for same. **THIS MEANS WE WILL NOT ASSIST IN THE DISPATCH OR COLLECTION OF LOTS – NO EXCEPTIONS – Do not ask for an exception to be made as our refusal may offend.**

## **5) FULL TERMS**

Please ensure that you read our full terms & conditions for further details.

**IMPORTANT NOTICE FOR CUSTOMERS USING STARLING BANK AND MONZO BANK:**

It appears when buyers use a Starling Bank or Monzo card to pay a deposit or balance, the card issuer will mistakenly initially debit the amount twice and then refund one transaction up to 30 days later. We are told this is a fault in their banking apps. One transaction will show as Robson Kay and the other as iBidder or Bidspotter. It is the iBidder/Bidspotter transaction which is incorrect – that should be a 10p ‘pre-auth’. Our advice is not to use Starling or Monzo issued cards with Bidspotter / iBidder until this issue is resolved. Alternatively please be aware you will be double charged initially and it can take two weeks or more to rectify itself.
